Presentations

The RAAR meeting:

Presentation of all the sub-projects (2006) The RAAR Meeting, May 2006, Gothenburg, Sweden.

Gregory, D. (2003) *In situ stabilisation and reburial of marine finds*. Lecture to Maritime Archaeologists from Local Museums in Norway. 03.10.2003

Gregory, D. (2005) *In situ bevaring af marin fund*. Presentation at the Fuglsø Archaeological meeting, Denmark. 16.11.2005

Gregory, D. (2006) *Ude af syne men ikke ude af sind Bevaring af skibsvrag på stedet* (in situ bevaring). Public lecture at the National Museum of Denmark. 14.05.2006

Gregory, D. (2006) *Out of sight but not out of mind. In situ preservation of wooden shipwrecks*. Lecture to Masters students from the Marine Archaeology course at Syddansk University. 28.11.2006

Gregory, D. (2007) *Current research in Scandinavia on the in situ preservation of marine archaeological sites*. Presentation to staff of the Maritime Archaeology section at English Heritage, Portsmouth England. 26.06.2007

Nyström Godfrey, I. (2006) *Återdeponering – Förvaring av marinarkeologiska fynd. En presentation av projektet 'Reburial and Analyses of Archaeological Remains (RAAR)*. Presentad at the Archaeological conservation conference 'Fynden i Fokus', Studio Västsvensk Konservering, Göteborg 22.11.2006

Peacock, E. E. (2009) *Climate change and its potential impact on the preservation of our in-situ archaeological heritage*. Scientific lecture to students in Klimatförändring i ett lokalt perspektiv course, University of Gothenburg; 26.02.2009.

Peacock, E. E. (2008). *En konservators karrierespor*. Svenska Föreningen för Textilkonservering Höstmöte, SVK, Gothenburg; 17.10.2008.

Peacock, E. E. (2008). *The continuing potential of soil burial studies*. Paper presented at the Experimental Archaeology Research - New Approaches Conference, Østersund, Sweden 01.10 2008.

Peacock, E.E. (2008). *Reburial and Analyses of Archaeological Remains (RAAR): The Marstrand Project*. Paper presented at the Current Trends in Nordic Archaeological Science: 9th Nordic Conference on the Application of Scientific Methods in Archaeology - SMIA; 11.09.2008.

Peacock, E. E. (2007). *Marstrand reburial project*. Guest lecture in course Land-based and Marine Archaeology presented at the Graduate School of Conservation, Yunlin National University of Science and Technology, Taiwan; 18.04.2007

Peacock, E. E. (2006) *The Marstrand Reburial Project: background, phase I and future work*. Guest lecture in course Scientific Writing in English I presented at the Graduate School of Conservation, Yunlin National University of Science and Technology, Taiwan; 21.12.2006

Peacock, E. E. (2006) *Reburial of marine archaeological artefacts in the Seabed*. Guest lecture in course Conservation Ethics presented at the Graduate School of Conservation, Yunlin National University of Science and Technology, Taiwan; 08.05.2006.

Peacock, E. E. (2006) *Marstrandsprosjektet*. Scientific lecture presented at Fredagsseminar, Seksjon for arkeologi, NTNU; 21.04.2006.

Peacock, E. E. (2004) *Havnbunnen. Fremtidens magasin for samlinger av marinsrkeologiske gjenstandsmateriale?* Scientific lecture presented at Fredagsseminar, Seksjon for arkeologi, NTNU; 19.03.2004.

Richards, V. (2005) *In-situ Preservation of Archaeological Material and Sites Underwater*.

Plenary lecture presented at the Marine Sciences Conference, October 2005, Helsingborg, Sweden.

Richards, V. (2006) *Reburial as a Method of Preserving Waterlogged Archaeological Remains: Presentation of the Marstrand Reburial Project*. Presented at the Combined Conference of the Australasian Institute of Maritime Archaeology and the Australian Society for Historical Archaeology, September 2006, Darwin, NT, Australia.

Turner-Walker, G. (2009) *Experimental Degradation of Wood and Metals in a Marine Environment: The Marstrand Reburial Project*. Paper presented at the International Conference on Underwater Archaeological Conservation Science. Shihsanhang Museum, Bali, Taipei, Taiwan, 24th-24th November 2009.

Turner-Walker, G. (2008) *Bog Body Taphonomy: Suitability for DNA Analyses*. Paper presented at the 18th Triennial Meeting of the International Association of Forensic Sciences: Workshop 5; New Orleans, USA. 21st-25th July 2008.

Gilbert, M.T.P. (2006) *DNA in bones – where is it, and how can we get at it?* Paper presented at the Second International Symposium on Biomolecular Archaeology; Stockholm, Sweden, 7th-8th September 2006.
